

Wanted Man –

Partial Hook –

The wanted man, will he be the one

Verse 1 –

She wanted him, to be the one

To sweep her away and not be just a dream

'Cause she can't hide, that he could be

Hook-

The wanted man, will he be the one

To break the chains, and be the wanted man

Verse 2 –

In her heart she knows, that days gone by

She must let go, 'cause he could everything she wants and more

Her heart is racin' fast, she needs a sign to see

He could be the one to give her what she needs

Hook-

The wanted man, will he be the one

Deep in her heart she knows that he could be
